Public service must be more than doing a job efficiently and honestly. It must be a complete dedication to the people and to the nation.

IN MEMORIAM

The Glenview Art League has lost one of its most *dedicated* members with the passing of Bob Sherman. Bob was one of the earliest members, joining in the mid 1950's. Since then he has been its president, vice president, secretary, treasurer, and webmaster, in addition to sharing his work as an artist.

Bob organized the very first YAF (52 years ago) and was involved in organizing the first outdoor SAF in 1955, which was a handful of artists who set up card tables to sell their work. Both events have grown significantly with his tireless efforts to keep them going. As the YAF grew, he built over 20 wooden easels to help display the work and carted those easels to and from storage every year, setting them up and breaking them down!

Bob designed our first website and was the main impetus in creating artist gallery pages so the public could view members' works. While he did not agree with some of the recent changes in design, he kept checking links and gallery pages so we were able to correct some early errors with the new website.

Most recently he was chairman of the scholarship committee - a natural at helping establish the new guidelines for 2015, since he was involved with the first scholarships given during GAL's early years. The Board voted to honor Bob by renaming the Scholarship to the *Bob Sherman Fine Art Award* to be annually given to a local high school senior pursuing a college degree in art.

An avid historian, he kept notebooks of photos and written history of the art league, which was a tremendous help when applying for our 501c3 exemption. Any question one asked about GAL programs, Bob readily answered. Many of us have witnessed his struggle with a mysterious illness over the last couple of years, but he never stopped volunteering and he never complained! He will be sorely missed as he has been such a constant figure at every event as well as a cornerstone of GAL and a valuable volunteer.

Thank you, Bob, for your *complete dedication* to the Glenview Art League!
