*Any time you suffer a disappointment, put your head down and plow ahead. Les Brown*

**We share your disappointment at having two DEMOS cancelled this winter, especially those of you who didn't find out until you got to the Park Center. Mother Nature threw us another curve ball. We will try to address a better way of getting word to you last minute, but if the weather is ever in question, check your email before you head out or call the Park Center at 847-724-5670. Hopefully, we now have some months not to worry about the weather!**

**GAL is now plowing ahead and looking forward to an evening of fun, food, and friendship at **SPRING FLING!** Wed, April 22nd, 6-9 pm at Gusto Restaurant. Your invitation is included with this newsletter so check it for details and send your reservation by Apr 18. If you'd like to participate in a silent critique, bring one piece of your art. Oil Lamp Theater will be treating us to a short performance so be sure not to miss this social evening and get to know some of your fellow members. No work - all play - good food - cash bar - and prizes!**

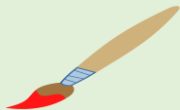

**You have asked for a **FIELD TRIP** so we would like to plan one for late Sept or early Oct as a 5-6 hr day including bus transportation, guide, lunch, and visits to artists' studios in Chicago. The cost per person would be about \$75 depending on the number attending and we need a minimum of 20 people. Let us know if you're interested in going and we will put our heads down and figure the exact details.**
