If you think you're too small to have an impact, try going to bed with a mosquito. Anita Roddick

Thank you to **Bob Leopold** who made the arrangements for Spring Fling and to **Maureen Hanlon** for the beautiful centerpieces. It was a wonderful evening of visiting, silent critique, and enjoying performances by Oil Lamp Theater. If you missed it, be sure to join us next year!

As summer approaches, GAL will be looking for many volunteers to **have an impact**. Only **small** amounts of time are needed as we get ready for our major events.

This year GAL is participating in the Annual **Glenview Street Festival**, Sat, June 24th 9-3:30. **Deb Anderson & Barb Zabroske** are setting things up and starting the event with painting. Please join us for a part of the day to paint or distribute flyers about SAF or talk to visitors about membership. We'll also be selling raffle tickets for a painting

or two. Let us know if you're available to help out or would like to paint.

SAF (July 29/30) is also creeping up on us and many plans are already under way. Thank you to **Kittie Yohe** for the many hours already spent doing the groundwork. If the rains continue into summer, we may very well have **mosquitos**, but you don't need to take them home for the night!

Major construction at Lyon School will impact parking and entry to the grounds. So, we need extra help this year to assist visitors with where to park and encourage them to cross the street at the corner. We considered a different location, but have decided to stay put.

The SAF will need to be moved farther to the north to avoid the noise and dust of the construction. GAL has **EIGHT** tents to set up and break down so if you know any hardy young folks who need some service hours, let us know. Please contact Kittie Yohe if you can help even a **small** amount of time. GAL is the only local art fair that is still run 99% by volunteers! And the artists notice its **impact!**

(Con'd)

Now get out your brushes, pencils, and cameras and show us how the **Nature in Glenview impacts** you! **Deadline to submit entries for this competition is June 15th.** All 2D media accepted this year, including photography. Find an application and details at <http://glenviewartleague.org/nature-in-glenview-art-competition/>

There's a \$20 entry fee, but work chosen for SAF will be judged for prizes. All entries will be shown at Journey Care in Aug with a reception. Select pieces will be shown at the Glenview Public Library Sept-Nov and the Park Center Nov-Dec.

Please contact **Kittie**

Yohe if you can volunteer for SAF July 29/30. Kittie's Contact:
