*"Life's most urgent question is
 "What are you doing for
 others?"*

- Martin Luther King, Jr.

Happy New Year and welcome to another exciting year with GAL! The league is YOUR organization and only by many members *doing* something can we survive.

A HUGE **THANK YOU** to **Barb Zabroske** for all she has *done* as a GAL board member, gallery manager, co-chair of YAF, and other volunteering. Unfortunately **for us**, Barb is moving out of state so will be devoting her attention to that after YAF. What can **YOU** do? Please step in to cover the work Barb has *done* for us. Most urgently we need a manager for Journey Care and a new secretary for the board. Contact me if you can help.

The **YOUTH ART FAIR** is just around the corner on February 17th. Members can place a business card ad in the program for \$5. Send your check to the GAL office and email your business card to Marilyn Perry at artluver39@sbcglobal.net. See further YAF details at end of this newsletter.

New to this year's YAF: To expand our service to the community, we are collecting new, unopened art supplies to donate to the Northfield Food Pantry for kids who might otherwise not have these supplies. Please bring whatever you can contribute - a box of crayons, drawing pad, colored pencils, markers, etc. - to YAF or to the Feb demo.

The **SCHOLARSHIP** application can be downloaded from our website. Deadline to apply is March 31st. Students must either live in Glenview or attend GBS or GBN High School and be planning to major in a visual art in college.

COMING UP:

There will be an All Members' Show at Journey Care in March for large pieces of art. Members may bring one piece of art 18x24 or larger at 9 a.m. on Thursday, March 1st to Journey Care Admin Building, 2050 Claire Court, Glenview, with a signed artist release form. Take down date is Tues, Apr 3rd at 9 a.m. You must be available to both hang and take down your work at these times - there is no alternate day/time.

Linda Goldman will be holding an **Art Therapy Workshop** in April at Journey Care. Watch for details in the Feb. newsletter.

Plein Air Competition:

GAL will be co-sponsoring the Plein Air Competition this year in conjunction with the Northbrook Arts Commission around the beginning of October.

IMPORTANT! GAL still needs someone to work with Kittie this year, learning her role as co-chair for SAF. Yes, we are already starting on the 2018 SAF planning. **NOTE! Without a replacement for Kittie, there will be no 2019 SAF.** Someone can do this!

About our Demo Artist

Charlotte Kaplan

Charlotte Kaplan will be showing us her Fiber Art

When describing the inspiration for her fiber art, Charlotte who has a thirty-year background as a graphic designer, cites growing up amidst her family's textile business. "I always loved being surrounded by textures and fabrics because of their warmth, three dimensionality, and play of shadows."

Charlotte has successfully blended the minimalist quality of abstract contemporary art with the warm associations of fabric. Her fiber pieces are sophisticated, yet charming. "I want to make art that makes people feel good in their environment,"

says Charlotte. Her many happy clients attest to her success in that regard. The fiber art "grows" on them!
