There is NO Demo Meeting in April!

May 1st Demo Artist will be Yvonne Wolfe!

Gong bi brush painting art is a meticulous work of fine art. A tradition over 2000 years old, it has clear rules that communicate social and cultural values that are still relevant today. These paintings communicate prosperity and fulfillment in a highly balanced relationship. Yvonne will show three typical motifs: *flower and birds*, *animal and trees*, and *landscape*, and how to appreciate these works applying the principles of yinyang.
