GAL Event Series:

Philip Schorn: Watercolor Pencil

Wednesday, Feb. 8 at 7 p.m., Glenview Public Library

Join us as Phil Schorn shares techniques with watercolor pencils! Phil received an award at the Glenview Art League Summer Art Fair in 2022, and has outstanding artwork, workshops, books and more at his website.

“I’m an artist that paints with the pencil. My art is not just another drawing, it is an art that requires patience, skill and the ability to see several steps ahead. I can look at an object and I see the shapes, light and shadows that make up that subject. In my drawings, I focus on the realism and to put in as much detail as possible. I want the viewer to see more than they thought was there. I have found that life truly is, in the details.” www.pschornstudio.com

The Glenview Art League hosts art demonstrations as part of our Event Series, promoting the study and development of fine art in the community. Demos are free, open to the public, and ADA accessible. Find out more at www.glenviewartleague.org.

SURVEY: Help plan GAL Events

The GAL Demo Program is now the GAL Event Series. We look forward to hosting many amazing art demos (like the one with Phil Schorn on Feb. 8!), and we’d also like to mix it up. Program chair Kimberly Schlarman and GAL board members have discussed possibilities including: group outing to Oil Lamp Theater, visiting Lill Street Art Center, visiting Firebird Community Arts, group meetup in the library’s Innovation Center, art-related book discussions, outdoor painting/sketching/photography sessions. We appreciate your feedback. Find short online survey at www.glenviewartleague.org.
